Dear Meir,

It is with great pleasure that I am writing this letter on behalf of Mr. Meir Frydman who represented me in the sale of my property this past year.

When I decided to sign a listing contract, I felt it would probably go nowhere as it didn't in the past with other brokers. How completely wrong I was as not only did you perform an excellent job in selling my apartment in LA but you also delivered on finding me an exchange property out here in Miami where we live. I look forward to working with you on my future real estate deals.

Meir negotiated the sale of the apartment building on my behalf, and saw the transactions through from start to finish, obtaining a sale price I was not convinced was achievable. Throughout the processes, he demonstrated a combination of expertise, tenacity, and professionalism which greatly impressed me.

I look forward to working with him in years to come, and I am pleased to give him the highest recommendation. Should you have any questions regarding this matter, please don't hesitate to ask me.

Best,

- Julian Girardo
